

How Insights colour energies can  
help your business...

# RETAIN TALENT

Using Cool Blue Energy to...

Ensure there is clarity of process  
& that employees have access  
to the required resources to  
perform their role well.

Using Fiery Red Energy to...

Reward success &  
encourage employees  
to break new ground.

Using Earth Green energy to...

Value our people & invest  
time in listening to them.  
- give them a voice.

Using Sunshine Yellow energy to...

Inspire our people about the  
vision of the organisation  
and the unique difference  
they can make.
